White Blue and your choice

# Beacon Lights

This makes a 12" block and is paper pieced, OR regular pieced!

Please abide by the Terms and Conditions of use! :o)

Fat Quarters will be fine!

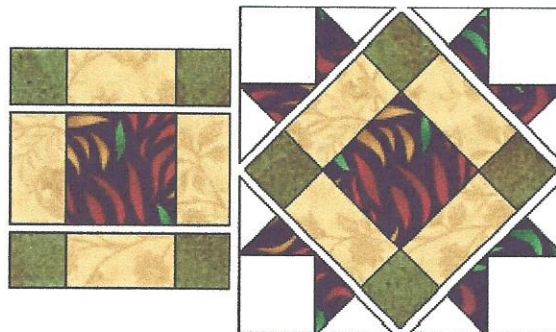

[Click here for PP template A](#)

[or here for Regular Temps!](#)

The first thing that I would recommend that you do, is go to the [Practice Paper Piecing Page](#). When you feel comfy with paper piecing, come on back and try a Beacon Lights! You will need to print out two copies of the template A page and one of the B + C pages per block you want to make on very lightweight paper. (For regular temps, just one page of those will do)

After your paper piecing is done, join the temp B's + C as shown at far left. Then add the Temp A's as shown at near left! That's it!

(Those of you regular piecing will join pieces to make the units shown here then piece the block in the same way!)

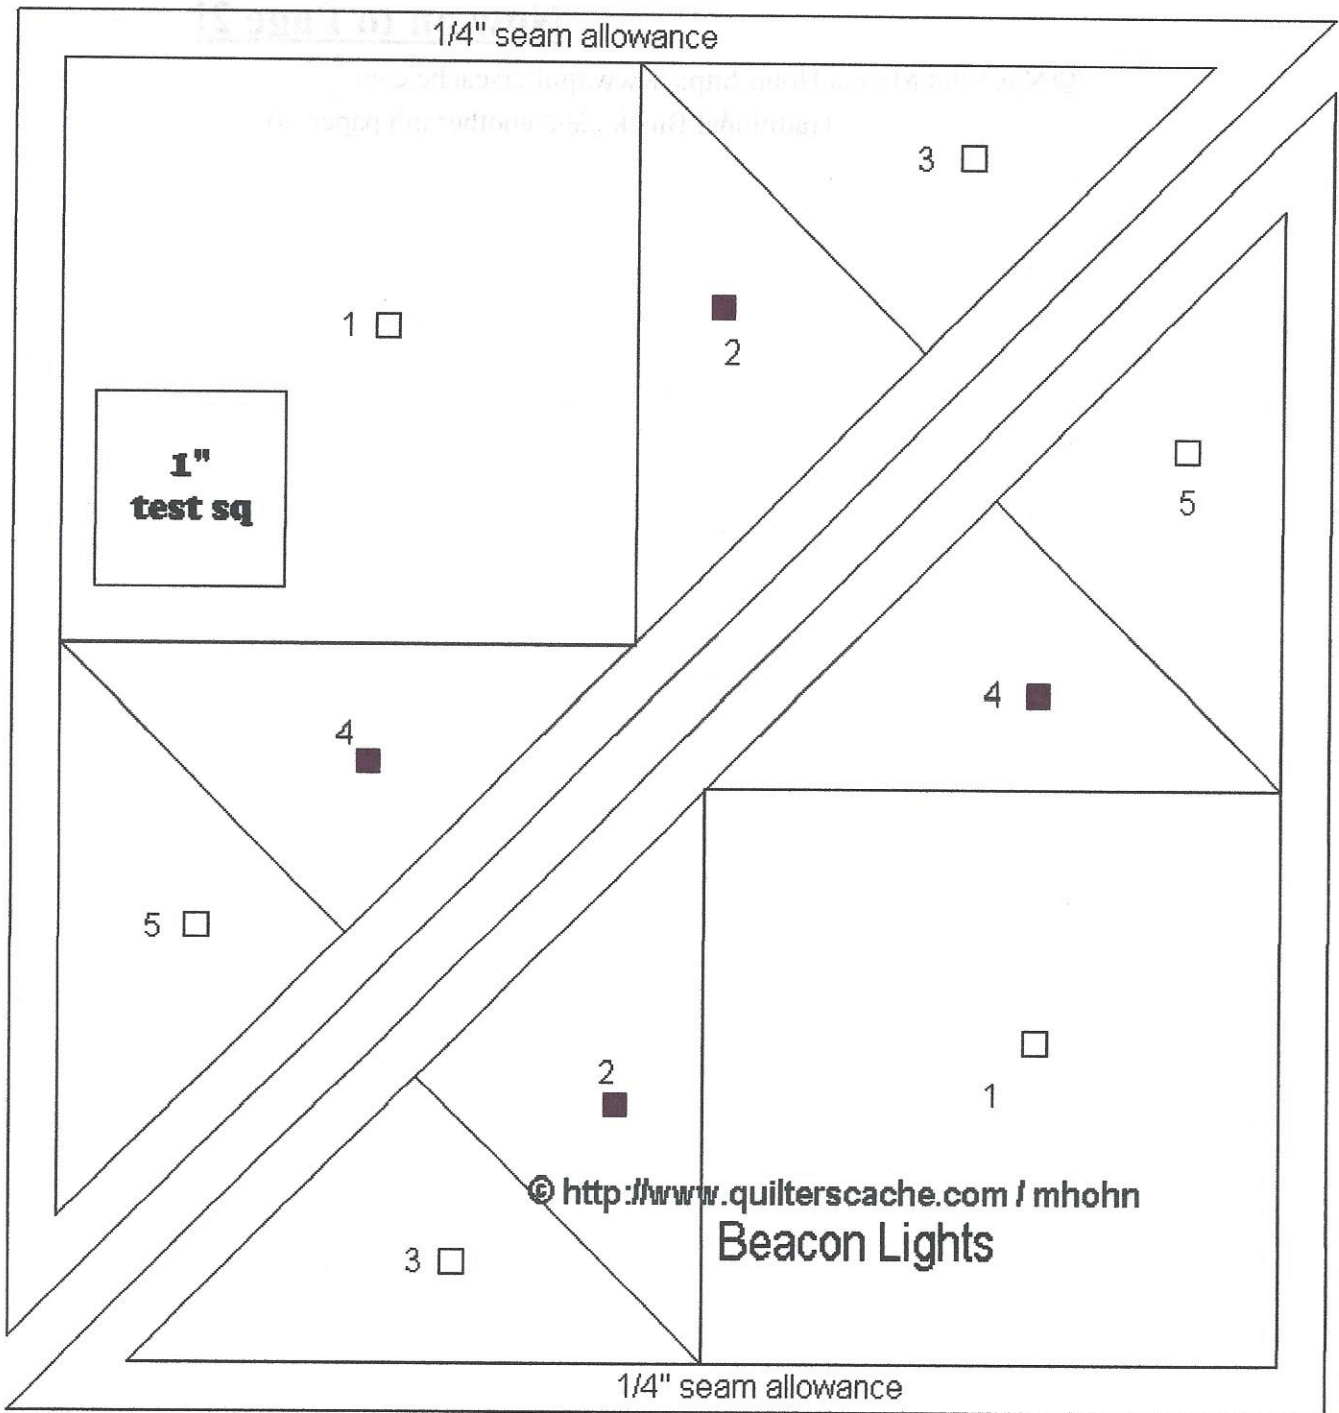

Here are nine Beacon Lights blocks set on point with alternating Nine Patch blocks!

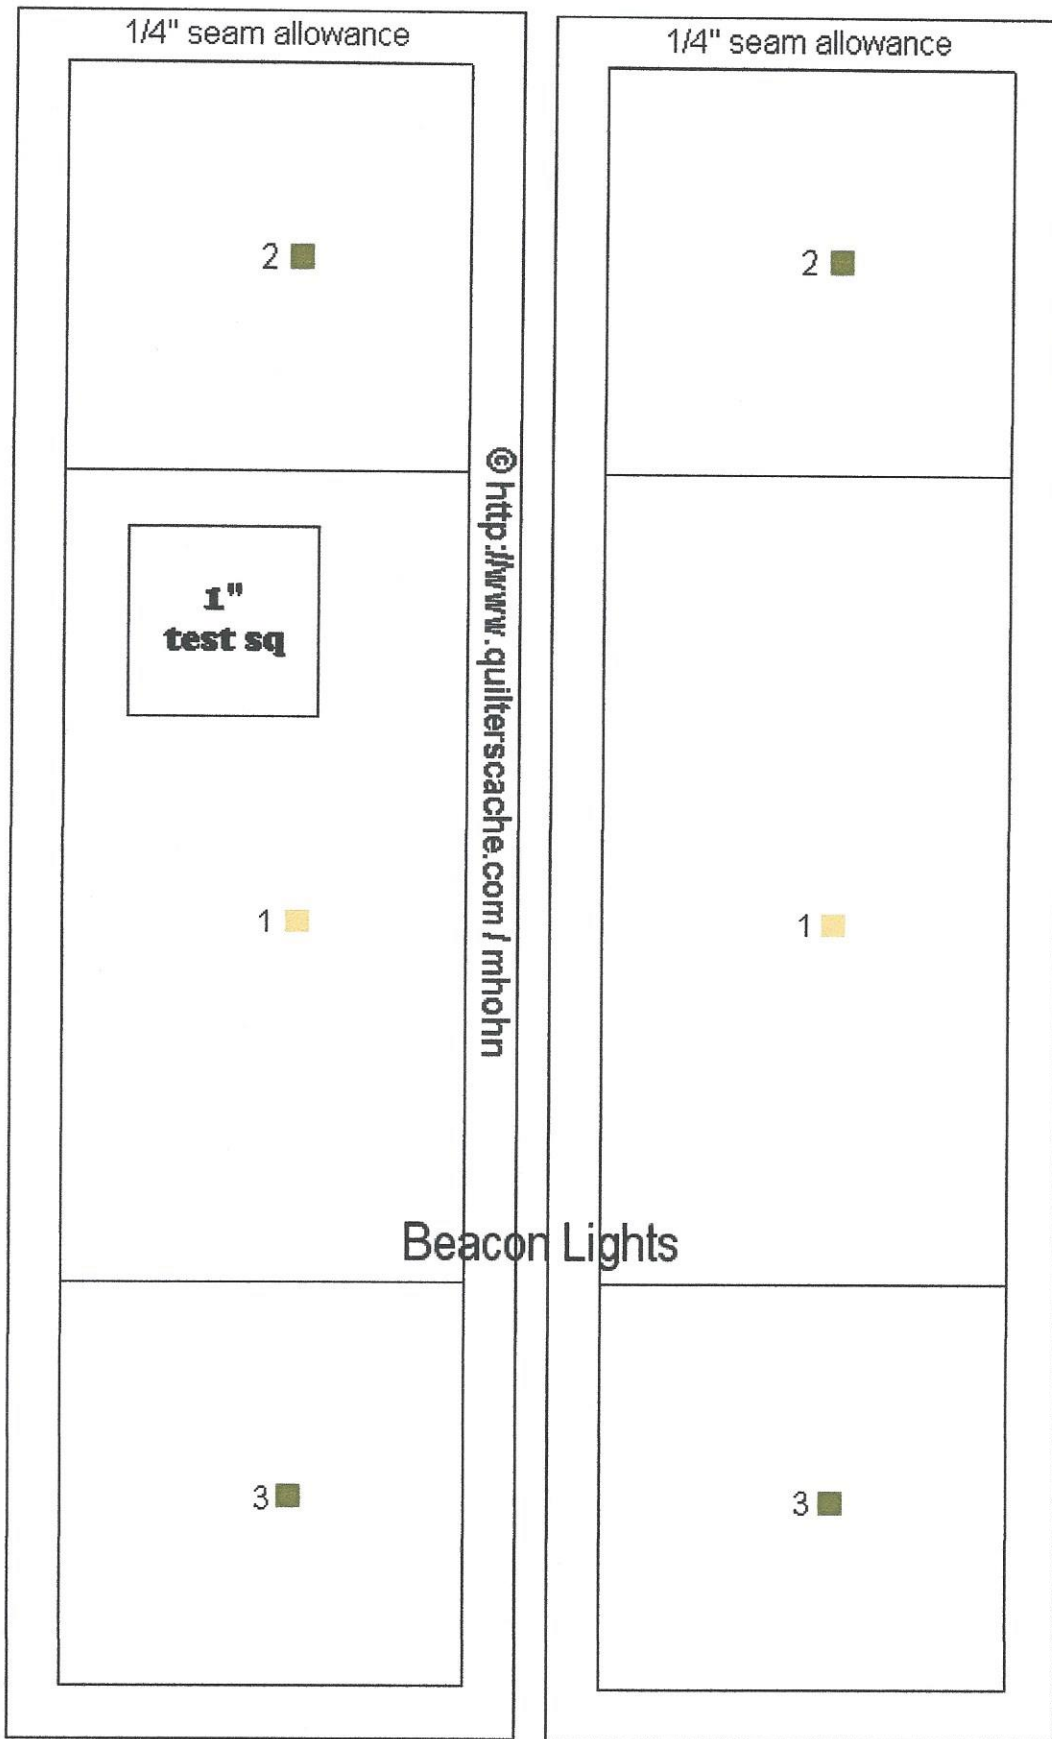

Happy Quilting Folks!

Marcia :o)
