## \*\* Preparing the Pieces and Sewing the Block \*\*

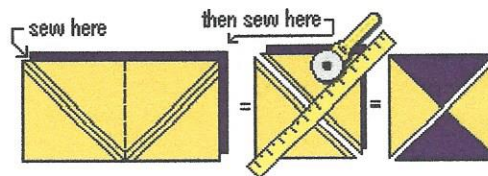

Start by marking and cutting the Color 1  $2\text{-}\frac{7}{8}$ " x  $11\text{-}\frac{1}{2}$ " strip into four  $2\text{-}\frac{7}{8}$ " squares. Stack and cut these in half along one diagonal to make eight half square triangles...

Next mark and cut the Color 2  $2\text{-}\frac{1}{2}$ " x 10" strip into four  $2\text{-}\frac{1}{2}$ " squares...

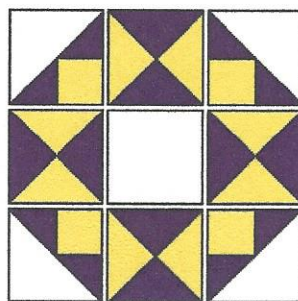

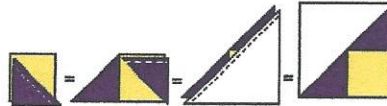

Cut the Color 3  $4\text{-}\frac{7}{8}$ " x  $9\text{-}\frac{3}{4}$ " strip into two  $4\text{-}\frac{7}{8}$ " squares. Stack and cut these along one diagonal to make four half square triangles...

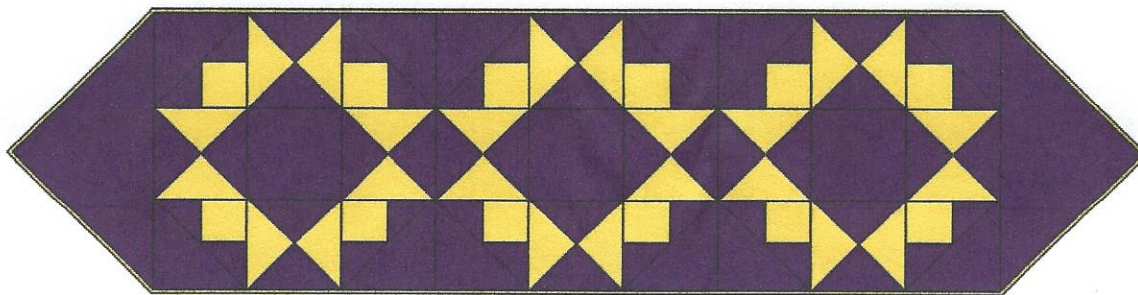

Now speed piece the quarter square triangle units, by stacking the Color 1 and Color 2  $5\text{-}\frac{1}{4}$ " x  $10\text{-}\frac{1}{2}$ " strips right sides together and all edges aligned. On the back of the top strip, lightly mark the  $5\text{-}\frac{1}{4}$ " square lines, then mark in the diagonals as shown above. Sew a scant  $\frac{1}{4}$ " above and below the marked diagonals, pivoting at the square lines. Cut these apart on the square lines and on the diagonal lines between the

## Crowning Glory - Page 2

To sew the corner units, using a scant 1/4" seam, sew a Color 1 half square triangle right sides together to the left edge of a Color 2 2-1/2" square. Press seam towards the triangle. Add another Color 1 half square triangle to the upper adjacent edge of the Color 2 square. Again press the seam towards the triangle. Next sew a Color 3 half square triangle to the pieced corner unit. Make four corner units like this. These should measure 4-1/2"...

Now lay out all the units as shown at left, with the Extra Color 3 4-1/2" square as the block's center. Sew together in three horizontal rows, pressing row seams in alternating directions. Join the rows to finish your Crowning Glory Block!

Here are three blocks to make an easy table runner!
