“Disappearing Nine Patch Quilt Block”

For the block you will need:

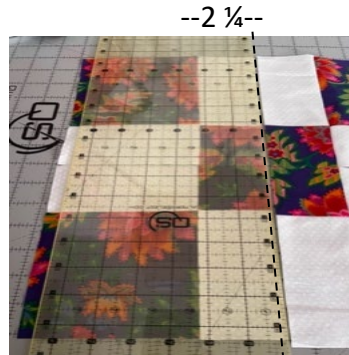

- (5) 5 x 5” squares contrast color – Charm Squares work well
- (4) 5 x 5” squares of light background fabric

Make a (9) nine patch (see **example 1** for fabric placement)
Your corner 5 x 5 pieces will be left whole (the center fabrics will be cut)

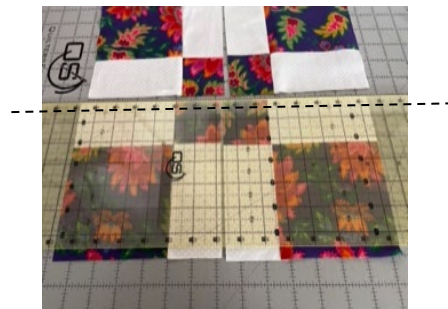

Once you have your 9 patch sewn together trim to 13 ½” square (see **example 1**)
Take your ruler and **from the center** (see **example 2**) measure **2 ¼”** to cut **horizontally**
Next measure **2 ¼”** again from center (see **example 3**) and cut **vertically**
You will have 4 pieces which should measure 7 x 7 (see **example 4**)
Next is placement of each 7 x 7 pieces to make your block (see **example 5**)

Example 1 - placement

Example 2 – cut vertically

Example 3 – cut horizontally

Example 4 – cut into 4 piece
