PIECING INSTRUCTIONS - SINGLE BLOCK

Begin by piecing a white centre triangle to a red centre triangle. Press to red fabric. Make two of these units. Join these two units together forming an hour glass block.

Next we will create the flying geese star points. Attach a small green triangle to the left side of a large white triangle. Press to the green fabric. Now attach a second small green triangle to the right side of the white triangle. Again press to the green fabric.

Now piece the outer corner Half Square Triangle Units. Stitch a small red triangle to a small white triangle. Press towards red fabric.

Reference the diagram to placement. Your block will piece together in three rows, then join the three rows to each other.

Your block is complete!
