

# Carol's Star

March 2016  
Paper Pieced  
Blues and Whites

This makes a 12" block  
and it's paper pieced!

I am naming this one for  
my sister Carol, who  
passed away in 1998 after  
a long battle with cancer.  
She was a shining star :o)

The first thing that I would recommend that you do, is go to the [Practice Paper Piecing Page](#). When you feel comfy with paper piecing, come on back and try a Carol's Star block! You will need to print out two copies of the A + B template pages and one of the C page per block you want to make on very lightweight paper. Fat Quarters should be plenty!

After all units are paper pieced lay them out as shown at left. Sew three horizontal rows, then join the rows to finish off the block.
